Introduction

BDS Markets (the “Company”) Anti-Money Laundering and Know Your Customer Policy (hereinafter - the “AML/KYC Policy”) is designated to prevent and mitigate possible risks of the Company being involved in any kind of illegal activity.

Both international and local regulations require BDS Markets to implement effective internal procedures and mechanisms to prevent money laundering, terrorist financing, drug and human trafficking, proliferation of weapons of mass destruction, corruption and bribery and to take action in case of any form of suspicious activity from its Users.

AML/KYC Policy covers the following matters:

BDS Markets’ identity verification procedure requires the User to provide the Company with reliable, independent source documents, data, or information (e.g., national ID, international passport, bank statement, utility bill). For such purposes, the Company reserves the right to collect Client’s identification information for the AML/KYC Policy purposes.

BDS Markets will take steps to confirm the authenticity of documents and information provided by the Clients. All legal methods for double-checking identification information will be used and the Company reserves the right to investigate certain clients who have been determined to be risky or suspicious.

BDS Markets reserves the right to verify Client’s identity in an on-going basis, especially when their identification information has been changed or their activity seemed to be suspicious (unusual for the client). In addition, BDS Markets reserves the right to request up-to-date documents from the clients, even though they have passed identity verification in the past.

Client’s identification information will be collected, stored, shared, and protected strictly in accordance with the BDS Markets’ Privacy Policy and related regulations.
